For: MAMMALIAN TRANSFORMING GROWTH FACTOR BETA - 9

Commissioner of Patents  
Washington, D.C. 20231

RESPONSE

This is in response to the Office Action (Election/Restriction) of December 18, 2000.  
Enclosed is a request for a two-month extension of time, extending the period for response from  
January 18, 2001 to March 19, 2001.

Applicants elect to prosecute the claims of Group II claims 6-9 without traverse.  
Applicants request that claims 1-5 and 10-11 be withdrawn from consideration as corresponding  
to non-elected claims.

### INFORMATION DISCLOSURE STATEMENT

Also enclosed is form PTO 1449 with references. Accompanying the references is a diskette that contains references A4-A73 and A76-A77. This diskette is being submitted as an aid to the Examiner in searching the submitted sequences. While applicants' attorney has done his best to make a faithful reproduction of the references on the diskette, he makes no representations that the diskette is complete or accurate.

Respectfully submitted,

Paul G. Lunn, Esq.  
Reg. No: 32,743  
(206) 442-6627
